DISCOVER THE GLOW OF A BETTER RELATIONSHIP WITH **LOVE EVERY DAY**

Once each day, you and your partner answer a fun, entertaining text question. After 21 days the result can be a big boost to your relationship.

Sound too good to be true? Love Every Day is a scientifically validated program proven to get results. With simple questions, it can improve your relationship and rekindle the feelings that brought you together.

Thousands of couples have tried Love Every Day and come away as happier, stronger couples. Join them and text your way to a better relationship.

MILITARY ONESOURCE

TEXT YOUR WAY TO A BETTER RELATIONSHIP

Love Every Day is a free mobile solution that uses text message reminders to improve your relationship in just three weeks.

Here's how **Love Every Day** works.

Using text message reminders and a simple solution, you and your partner will work as a team, sharing daily answers to 21 entertaining and thought-provoking questions about yourself and each other. After you both answer, you'll also get a bonus activity to help spur even more fun when you're together.

Love Every Day works whether you're together or separated by thousands of miles. You'll find yourself anticipating each day's new question as well as your partner's answers.

Love Every Day has been proven to help prompt more positive interactions and meaningful conversations. After just 21 days, you just might be on your way to a more stable, and resilient relationship.

Love Every Day has been used by thousands of couples and independently proven to deliver real-world relationship benefits.

There's science behind the benefits.

Love Every Day is built around proven techniques for building better couple interactions. The questions are designed to drive real social and emotional rewards between partners. It all leads to more healthy and positive couple habits. And it's fun.
