Dear Newcomer,

It is my pleasure to welcome you to Arkansas and Little Rock Air Force Base, the home of C-130 Combat Airlift! We know you will find the "Natural State" a wonderful place to live and work.

The 19th Airlift Wing from Air Mobility Command, the 314th Airlift Wing from Air Education and Training Command, and the 189th Airlift Wing, from the Arkansas Air National Guard, and other tenant units comprise Team Little Rock, which is proud of its reputation for training and deploying the world's best C-130 Combat Airlifters.

Little Rock Air Force Base is in the city of Jacksonville, centrally located in Arkansas and just a few miles north of Arkansas' largest urban center where you can enjoy a wide variety of cultural entertainment and sporting events. Arkansas is also proud of its many recreational facilities, large lakes, state and national parks, and game reserves.

Our Newcomers' Orientation Event is held every other Wednesday, 0745 to 1430 in the Airman & Family Readiness Center, Building 668. At the Newcomers' Event, you will be greeted by base leadership and meet representatives from local agencies. If you are married, my wife and I would like to extend a sincere invitation to your spouse to attend the Newcomers' Event to take advantage of the many programs and opportunities available for our families.

The relocation services at the Airman & Family Readiness Center in Building 668 are designed to ensure your relocation process is as smooth as possible. Your sponsor can find information for you, meet you when you arrive, and make it easier for you to in-process and get settled. Please keep your sponsor informed of your specific arrival plans and relocation needs. Also, please check out our relocation link on Military HOMEFRONT, [www.militaryhomefront.com](http://www.militaryhomefront.com) for additional information.
