

## DEPARTMENT OF THE AIR FORCE

HEADQUARTERS 19TH AIRLIFT WING (AMC)

LITTLE ROCK AIR FORCE BASE, ARKANSAS

MAY 02 2016

Dear Newcomer

It is my pleasure to welcome you to Arkansas and Little Rock Air Force Base, the home of C-130 Combat Airlift! We know you will find the "Natural State" a wonderful place to live and work.

Team Little Rock is comprised of the 19th Airlift Wing from Air Mobility Command, the 314th Airlift Wing from Air Education and Training Command, the 189th Airlift Wing from the Arkansas Air National Guard, and other tenant units. Team Little Rock is proud of its reputation for training and deploying the world's best C-130 Combat Airlifters.

Little Rock Air Force Base is in the city of Jacksonville, a few miles north of Arkansas' capital city where you and your family can enjoy a wide variety of activities. Arkansas boasts many recreational facilities, large lakes, state and national parks.

As you transition to "The Rock", I encourage you to consider Little Rock Family Housing when deciding where to make your next home. We have a beautiful community with the bonus of being surrounded by other military families. Find out more by visiting <http://www.littlerock-family-housing.com>.

Our Newcomers' Orientation is held on Wednesdays twice a month in the Airman & Family Readiness Center (A&FRC), Building 940. At Newcomers' Orientation, you will be greeted by base leadership and meet representatives from base and local agencies. If you are married, I would like to also invite your spouse to attend the orientation and take part in our Key Spouse program. Please contact the A&FRC or your First Sergeant to get connected to your unit's Key Spouse.

Your sponsor can make it easier for you to in-process and get settled by answering your questions, meeting you when you arrive, and assisting you with other transitional needs. Please keep your sponsor informed of your specific travel and arrival plans.
