

U.S. Marine Corps

The Personal Financial Management Program (PFMP)

The program provides financial education, training, counseling, information and referral. A solid understanding of your personal financial situation and prospects will give you a better chance of achieving financial success during your career and help you build confidence in facing financial challenges and responsibilities. These services are free of charge and part of your benefits by serving in the Marine Corps.

We can help improve your understanding of financial information in the following areas:
