### ***To make sure your pet is prepared:***

- Pets are not allowed in evacuation centers and shelters. Only animals such as Seeing Eye dogs are permitted.
- If you live in an evacuation zone and plan to go where your pet will not be welcome, make arrangements for a safe place for your pet prior to an emergency.
- Call your veterinarian to find out where you can board your pet if an emergency should arise.
- Contact hotels and motels in non-evacuation areas to see if they will allow you and your pet to stay with them during an emergency.
- Make sure you have supplies for your pets for 2 weeks.
