Military Spouse Employment Partnership

Serving the nation.
Serving your business.

"The spouse employment partnership enabled us to fill positions that, in the past, were difficult to staff. Military spouses make great employees."

- H&R Block

Join the Partnership

"When my husband's duty station changed, my job [at Dell] was converted to a work-from-home position by working with my leadership and leveraging the Military Spouse Employment Partnership…These efforts make Dell an innovative company that supports not only the military community, but all communities."

- Military spouse

- Global presence near military installations
- Financial stability
- Opportunities for portable employment

Partnership Commitments

- Sign a statement of support for the Military Spouse Employment Partnership
- Identify career opportunities for military spouses and post vacancies
- Maintain military spouse employment with the company when the military family relocates
- Participate in annual meeting with partners and the military services
- Mentor incoming corporate partners

Military Spouse Core Attributes

- Highly educated
- Responsible, mature and loyal
- Skilled in a wide range of professions
- Adaptive and resilient
- Strong team members
- Efficient and effective under pressure
- Unparalleled work ethic

MILITARY SPOUSE EMPLOYMENT PARTNERSHIP

"We're going to help spouses get that degree, find that job or start that new business. We want every company in America to know our military spouses and veterans have the skills and the dedication, and our nation is more competitive when we tap their incredible talents."

– President Obama, Jan. 24, 2011
