

K-12 AND COLLEGE EDUCATION

**Wondering how to pay for college?
Worried about changing schools after a relocation?
Searching for an early childhood education program?**

Military OneSource can help. Military OneSource's K-12 and College Education page is full of articles, resources and tools to help you address all of your education needs.

Highlights

- ✓ **Helpful articles, booklets and guides** on a wide range of education issues including paying for college, finding an after school program and much more
- ✓ **Information tailored to specific audiences** with titles such as "Next Stop: Middle School," "College Preparation" and "Getting an Evaluation for a Child With Special Needs"
- ✓ **Access to MWR online libraries** including Peterson's DoD MWR Education Resource Center, providing test prep for the PSAT, SAT, ASVAB, and more; last-minute study tips; quick quizzes; techniques for beating test stress; and test information, dates and deadlines
- ✓ **Quick and easy links to important education resources** such as Military Youth on the Move, Tutor.com, and the Department of Defense Education Activity
- ✓ **Access to Military OneSource support services** such as counseling and education consultations at no cost to service members and their families
