

Sightseeing Backseat BINGO!

YAY!

This game may be played by two or more players, or in teams. Players look for items on the sheet and mark them off. The center box is a freebie. Each player must call out the item in order to get credit for it. No other player may use the same item, but other players may find the item later. The first player who completes five squares in a row (up, down, across or diagonally) wins.

Variations

- Players may win by completing a cross (+), an **X** or the entire sheet.
- Players may use different sheets.
