### EPA & DOT Stickers

**DOT:** This sticker is normally on the Driver's Door or in that Area. It has the wording " **Manufactured to meet all Federal Safety Regulations plus your VIN and Date of Manufacture**". If this is missing we will require a copy of your US Title or original US Registration. If you do not have either of these then you will have to obtain a letter from the Manufacturer or as an alternative a **CARFAX** Report.

**EPA:** This sticker, issued by the Environmental Agency is situated under the hood or in the engine compartments Area. You are looking for a sticker with the word **CATALYST**. If this is missing you **MUST** obtain a letter from EPA in the US confirming that the vehicle meets US Specification.
