Relocation 101 for Service Providers

Wednesday, August 15, 2012, at 7:00 – 8:00 PM EDT

Presented by Pam Cunningham and Lisa Collier

The Relocation 101 DIMS Refresher session guides the Relocation Manager through the MilitaryINSTALLATIONS Defense Installation Messaging System (DIMS) processes and resources. Participants in this session will receive comprehensive, interactive instruction in the following areas:

- DIMS registration, login, and contact information updates
- oLearning modules
- MilitaryINSTALLATIONS resources, manuals, and guides
- Creating messages and updating information
- Editing
- Photo additions and attachments
- Certification
- Reports

Register for the webinar online: <https://www2.gotomeeting.com/register/995932146>

About the presenters

Pam Cunningham works as a Program Analyst for the Office of Family Policy within Military Community and Family Policy. Pam is the OSD Program Manager for the military Relocation Assistance Program overseeing the MilitaryHOMEFRONT applications Plan My Move and MilitaryINSTALLATIONS. She provides operational guidance, policy interpretation, and training for military relocation programs worldwide.

Lisa Collier is a Relocation Program Liaison providing subject matter expertise and web services for MilitaryHOMEFRONT's MilitaryINSTALLATIONS and Plan My Move; identifying and developing content, materials, and educational products; and supporting program development and editorial functions.

If you cannot access the webinar registration page or platform, please email us at MOSwebinars@militaryonesource.com with your name, email address, and the title, date, and time of the webinar you wish to attend. We will send you a PDF version of the webinar so that you will be able to participate by phone (1-866-724-3083; code: 1085851).

If you are unable to attend one of our webinars, please look for the archived version at www.militaryonesource.mil/webinar. Most of our webinars, with a few exceptions, are made available on the archive page for viewing later. Please note that the archived version can take up to three weeks to post after the originally scheduled webinar.
