Sponsorship

Has your sponsor contacted you yet?

Your sponsor can be your best connection to Geilenkirchen, both before and after your arrival, and during your transition into our unique community. We suggest sharing your personal email with your sponsor, so they can contact you after you leave your current base.

Please complete the Newcomer Needs Assessment at the end of this document and send it to your sponsor as soon as you can. This will allow the sponsor to tailor things to your needs.

If you have not heard from your sponsor or have not been assigned a sponsor, please contact the Airman & Family Readiness Center (A&FRC) so we can assist you. We can be reached at 470abs.dpf2@us.af.mil.

Are you a spouse who would like your own sponsor?

The Spouses Sponsoring Spouses program will connect you with a spouse at Geilenkirchen who can help answer the questions you have about moving here. Please email the Airman & Family Readiness Center at 470abs.dpf2@us.af.mil to request a spouse sponsor. We need your name, phone, email, # children/ages (if applicable), and your expected date of arrival at GK.

Temporary Lodging

Making Reservations

There is no on-base housing at Geilenkirchen. Your sponsor will help you make reservations at one of the local guest houses. We have included a Temporary Lodging Facility (TLF) listing with your sponsorship packet.

Length of Stay

You are authorized TLA for a period of 30 days; extensions must be requested in writing with sufficient justification to the 470th Air Base Squadron Commander.

Please check with the US Housing Referral Office within two workdays after arrival for a TLA briefing according to USAFE Instruction 65-104, para 4.d.

Paying

Double check to see if your guest house accepts credit cards, as not all of them do. Also be sure to ask if they accept the VAT form, which will save you 19% tax. Your sponsor can take you to the US VAT office on Geilenkirchen.

Getting to Geilenkirchen NATO AB

Local Airports

The most common point of entry for Geilenkirchen incoming personnel is the Dusseldorf International Airport, one hour from the base. The alternate airport is in Brussels, Belgium, about 1.5 hours and 139 kilometers away from Geilenkirchen. You can discuss other options with your travel office.

Transportation to Geilenkirchen

Both Dusseldorf and Brussels have taxi service to the Geilenkirchen area. Please send a copy of your travel itinerary to your sponsor so they can arrange transportation for you. Some guest houses will arrange taxi travel and include it in your bill—please have your sponsor discuss this ahead of time with the guest house owner.

Not all taxi services accept credit cards. If you will be paying for the taxi to be reimbursed on your travel voucher, make sure that they either accept cards or that you have ample cash on hand for the trip. Be sure to get a receipt, especially if you have to use cash.

In addition, you could catch a train from the Dusseldorf Airport to the Geilenkirchen train station. You will not be reimbursed for a rental car.

Exchange contact information with your sponsor

You and your sponsor should exchange emergency contact information, so you can stay in touch during your travel. Remember that although you may not have phone service, your smartphone can use wi-fi where it is available. Many people in this area use an app called WhatsApp for instant messaging via their phones using data or wi-fi.

Shipping Your Vehicle

Shipping Your POV

Your primary vehicle (one vehicle per PCS orders) will be shipped to USAG Benelux-Schinnen, NL. If you have two vehicles, you can ship the second vehicle at your own expense. If you ship a vehicle privately, the most common port for Geilenkirchen is Bremerhaven, Germany.

What vehicles should you bring?

European roads and parking spaces tend to be much narrower than those in the states. Fuel can also be more expensive. Most Europeans in this area drive smaller cars. Larger cars (SUVs, trucks) are less common in this area. Although larger vehicles like SUVs and trucks are less common, you can still bring a larger car; just realize that parking and driving may be a little more difficult. If you have questions, you can ask your sponsor or contact us here at the A&FRC.

Please note that vehicles with after-market tint on the drivers and passengers front windows will not be allowed to pass inspection. Other windows may be tinted. For more information, see the "Army in Europe Regulation 190-1, Chapter 22, C-22, WINDOW TINTING.

Picking Up Your POV

You must pass the USAREUR drivers test before you can pick up your vehicle at Schinnen.

When you pick-up your vehicle, you can receive a one-time authorization to fill-up your vehicle at the Schinnen gas station. The Vehicle Processing Center (VPC) and Provost Marshal Office provide the authorization.

Once your vehicle is registered at Geilenkirchen, you will receive monthly gas rations and a pre-paid gas card for use at German Esso gas stations. Tell the clerk if you have a diesel vehicle, as the Esso cards for diesel and gas are different.

Registration

This direct link to the HQUSAREUR basic POV registration information web page provides you with all of the information you will need to register a POV in the USAREUR system.

Driving in Germany

Practicing for the Driver's License Test

You can practice before you PCS by visiting the unofficial website for the USAREUR Practice Test & Study Guide at <http://www.usareurpracticetest.com/>.

If you are an Air Force CAC holder, you can visit the Joint Knowledge Online (JKO) website at <https://jkodirect.jten.mil> to complete the US Forces Driver's Training Program for Europe and the Final Course Exam. Once you have logged in with your CAC, search the course catalog for prefix USA and course numbers 007 and 007-B.

The Army's USAFE Drivers Handbook and Examination Manual for Germany can be found at <https://aepubs.army.mil/pdfpubs/AEP190-34.htm>.

Taking the Test

CAC holders can take the test online ahead of time, though they will still need to visit the GK driver's licensing office to watch a mandatory video and take care of paperwork.

Non-CAC-holders may be able to take the test prior to coming to GK if their sponsor creates a 'Non-Government Personnel/Sponsored Account Registration for them. This link can be found on the log-in page for JKO.

Driver's orientation and testing is held in Bldg 297 every Monday, Wednesday, and Friday at 0900. A driver's license fee of \$10 (credit card, check, or money order only) is payable at the driver's license office. The orientation is required even if you have passed the test online.

You must pass the test before you can pick your vehicle up at Schinnen.

Contact Information

For any questions or concerns, please contact the 470th ABS Security Forces office at 011-49-2451-63-2228 or DSN 314-458-6027.

Bringing Pets to Germany

Shipping/Flying Your Pets

Bringing pets to Europe can be complicated. The military does not pay to ship pets, and airlines limit the number of animals on airplanes. Furthermore, most airlines will not take pets in cargo during hot months.

Preparation

You must also have a health certificate, no more than 10 days old, for each animal to travel outside the country. Rabies vaccinations must be older than 30 days, but no more than 1 year and must be given after your pet is micro-chipped with a European-spec chip. Your local veterinarian should be able to provide additional information.

Pets are generally allowed to be shipped to Ramstein Air Base, Frankfurt Airport, Dusseldorf, Brussels, or Amsterdam. Dogs shipped into Ramstein or Frankfurt may be subject to a veterinary inspection fee. You must call the airline to book your pet on your flight.

There is no quarantine for pets that meet regulation requirements. However, there are new requirements for all dogs living in and coming to Germany. Contact your sponsor or the Geilenkirchen legal office for more information (from US 011-49-2451-63-2235 or DSN 314-458-6060. Please refer to the link below for guidance on dangerous dog breeds.

Restrictions on dogs considered to be “dangerous breeds”

Certain breeds—including Pit Bull Terriers, American Staffordshire Terriers, Staffordshire Bull Terriers, and other dogs descended from one of these breeds—are restricted in Germany.

Schools

Schools

All school-aged children attend AFNorth International School in Brunssum, NL, about fifteen minutes from the base. More information about the school can be found at <http://www.afnorth-is.com/>. Click on the “National Sections” link on the left side of the page. Choose the American Offices, then the Elementary or Middle/High School links, where you will find information and registration forms.

School Liaison

The School Liaison Officer (SLO) at your current base should be able to help you manage this transition. A comprehensive list of School Liaisons can be found at <http://www.dodea.edu/Partnership/schoolLiaisonOfficers.cfm>.

The Geilenkirchen SLO can be reached at Comm: 011-49-2451-63-3791 or DSN: 314-458-6015 or via email at 470abs.slo@us.af.mil.

Childcare

Child Care

Both Geilenkirchen NATO AB and JFC Brunssum have a Child Development Center and School Age Program. JFC Brunssum also offers a Youth Center for grades 6-12. There is no Family Child Care program at Geilenkirchen, as there is no base housing.

You can contact either CDC to discuss pre-registration prior to your PCS.

- **Geilenkirchen CDC/SAP:** Comm 011-49-2451-63-216 or DSN 314-458-6066.
- **JFC Brunssum Child, Youth, and School Services (CYSS):** Comm 011-31-45-526-3121 or DSN 314-364-3121.

International Youth Activities (IYA)

Geilenkirchen also has an International Youth Activities (IYA) program which offers after-school care for children ages 5 and up. GK NATO AB, Bldg 95. 0049-2451-63-4955.

Childcare for PCS Vouchers

Air Force members are eligible for the Air Force Aid Society's "Childcare for PCS" program at both their current base and their gaining base. Contact your Airman & Family Readiness Center to get your voucher, which will pay for up to 20 hours of free childcare per child.

Getting to Know the Area

Where is GK?

NATO Air Base Geilenkirchen is situated four kilometers west of the city of Geilenkirchen, population 28,000 approximately. This is in the most western part of the Federal Republic of Germany, adjacent to the Netherlands border. NATO Air Base Geilenkirchen is home to NATO's E-3A Component and is often referred to as "the Component". Brunssum, the Netherlands, lies 8 km west of the base and is the location of Joint Force Command (JFC) Headquarters Brunssum.

Nearby Locations

Geilenkirchen is only 25 km north of Aachen and 70 km west of Köln. The E-3A Component is located only a 10-minute drive from the Dutch border, a 30-minute drive from Belgium and another two hours from the French border. Some of the major cities within a couple of hours drive include Brussels, Luxembourg, Paris, Amsterdam, Rotterdam, and Bonn. Also the world-famous wine-growing Rhein and Mosel Valleys are only a two-hour drive from Geilenkirchen.

Housing

Where to live

USAF personnel assigned to Geilenkirchen NATO AB may choose to live in either Germany or the Netherlands. Personnel assigned to JFC Brunssum must live in the Netherlands. Since there is no on-base housing, personnel and families live in nearby cities or villages, providing a great opportunity for immersion in the German lifestyle.

Housing Referral Office

When you arrive at Geilenkirchen NATO Air Base, you must visit the Housing Referral Office in Bldg 87. This visit is necessary to obtain housing, verify your eligibility for Temporary Lodging Allowance (TLA), and receive counseling and guidance before entering into any written lease or rental/sales contract for housing. It is advised to wait until you arrive to secure housing in order to tour available units.

The Geilenkirchen housing office can be reached at Comm: 011-49-2451-63-2224 or DSN 314-458-6032/6033.

If you choose to live in the Netherlands, you will also need to coordinate with the USAG Schinnen housing office after your arrival.

Finding Housing

- Geilenkirchen: The 470 ABS Housing Referral Office has a Sharepoint site with great information, including an updated listing of local houses available (CAC-only): <https://ice.usafe.af.mil/sites/52MSG/470ABS/470MSF/HRO/SitePages/Home.aspx>.
- Netherlands: The AHRN site has information for USAG Schinnen/Brunssum, if you'd like to get a head start looking at housing on the Dutch side. <http://www.ahrn.com>.
- There is an international list of housing on the NATO BASS system, and a paper copy can be obtained at the Italian NSU on base once you get here.
- Some houses can be found listed on Facebook groups, posted on fliers, or on other websites (ex. Scout24). Keep in mind that if you rent from a house you don't get through the housing office, you need to make sure the landlord is not "blacklisted" and the housing office must still review the contract.
- <http://www.immobilienscout24.de> is a local housing website. The GK housing office can call and speak to any landlord you may like. NOTE: some offer a finder's fee to the realtor listing the property.

Furniture/Appliances

Housing in the Tri-Border area tends to have fewer (if any) closets and can also feature narrower staircases. Think about the size of your furniture—a very king-sized sleigh bed may not fit up the stairs to the bedroom, for instance. The Schinnen Furnishings office will provide you with wardrobes (“schrank”), refrigerator, and washer/dryer for the duration of your stay, in addition to loaner furniture while you’re waiting for your household goods.

If you need loaner furniture, contact Schinnen Furnishings directly at DSN 360-7344 or Comm +31-(0)46-443-7344.

Electricity is 220v in Europe. Most 110v lamps will work here—you just have to use an adaptor plug and German light bulbs. Some travel appliances and most computer electronics will work with just an adaptor. Other items may be “dual voltage”—you can check the label on the item to find out—which can be used here in Europe.

For other items, such as vacuum cleaners, microwaves, or sewing machines, you will either need to buy new or used 220v items once you get here, or you can run them using a transformer. This can cause extra wear and tear on some items, and also costs more for electricity, so it’s a very individual choice.

Medical and Special Needs Information

On-Base Services

The U.S. medical services at Geilenkirchen are limited in their facilities and manpower. The US medical facility has two family practice physicians and a flight surgeon, four general practice dentists, two social workers and a psychologist. Services include: family health, mental health, dental, lab, Pharmacy and x-ray. Patients are seen by appointment only; there is no 'sick call,' urgent or Emergency care at the US clinic. However, access to care is great and most patients can be seen same or next day.

Off-Base Services

The clinic refers patients off-base to Dutch and German medical facilities for emergency care as well as specialized medical and dental care. While the off-base care is very good, it differs from the care received in the United States. There is a 24/7 tri-lingual Patient Liaison available to accompany patients during medical appointments and assist in easing the cultural differences during an emergency. They can be reached by contacting the TRICARE number listed below.

Mental Health Services

The clinic provides basic mental health counseling services for adults but is not able to provide services to children 17 years of age and younger. Adult psychiatric evaluations, for medications, are available at Spangdahlem (approximately two hours away); however, that facility is also prohibited from providing psychological care to minors.

Dentistry

Dental services are provided at the US Dental Clinic. Service members and dependents are entitled to one dental cleaning per year at the clinic. There is no sedation dentistry available at Geilenkirchen Air Base for children, so if your child has dental anxiety or other special needs they will be seen on the economy or referred to another military treatment facility.

Optometry

An optometrist from Spangdahlem Air Base visits the clinic on a quarterly basis to see active duty members. Dependents will utilize off-base optometry services. Tricare reimburses dependents for their annual eye exam appointment. For more questions about Tricare, Geilenkirchen Air Base patients can call +011-49-2451-99-3400.

Special Needs

Please make the time to thoroughly complete your AF Form 1466 and ensure you document all family medical or educational needs. Turn this form in as soon as possible! This will allow our clinic staff to determine if your medical needs can be met at this location. If the active duty member or any family member has specialized medical needs, please work closely with your PCM and ask them to verify that the Geilenkirchen clinic has the capability to appropriately support those medical needs.

Banking

Choosing a Bank

You will need a bank that can pay European bills. This generally means that you either choose a local German or Dutch bank (depending on where you choose to live) or you choose Andrews Federal Credit Union or Community Bank, both located on USAG Schinnen or Commerzbank on Geilenkirchen NATO AB. Some people also choose online banks like Service Credit Union; we recommend you do your own research if this is the route you decide to take.

Debit and Credit Cards

Many vendors in this area do not accept American credit cards—cards that require you to swipe and sign. If they accept cards at all, their equipment is set up for “chip and pin” cards, which your US bank may be able to provide you with. Any European bank you use will issue you a chip and pin card.

Cash

The European Union (except Great Britain) uses the Euro for currency. You will carry and use cash far more often than you may be used to. You should bring some Euros with you from the states, or change it at the airport. Most airports will also offer ATMs that will use your US debit card and give you Euros. There is an ATM on GK NATO AB which will also do this.

Spouse Employment

Employment Opportunities

Paid opportunities in the Tri-Border area are somewhat limited. As a spouse, you may not be able to find a job in your career field. In addition to seeking employment, many spouses choose to work on their education or volunteer on career-related projects for their resume.

Job Listings

There is an “Employment This Week” email sent out from Schinnen Army Community Service. If you would like to sign up for this, please email 470abs.dpf2@us.af.mil and we will get you connected. Be sure to include your name, email address, and career background or interests.

The A&FRC also sends out employment information through our mailing list, which you can sign up for at <http://eepurl.com/bsMzKv>. You may have to access this link from a non-military networked computer.

Newcomer Responsibilities

As an incoming Geilenkirchen NATO AB or 470th ABS member, you are responsible for assisting us to ensure you have a smooth transition to your new duty station. Keeping your sponsor informed about your exact itinerary and relocation needs will make it easier for them to help you.

Your sponsor will be contacting you shortly, if they have not already, to request the information on the “Newcomer Needs Assessment” from you. Your sponsor is responsible for assisting you during your relocation. Please help them out by providing the information to your sponsor as soon as possible (via FAX, telephone, mail, e-mail—whichever best meets your needs).

Keep your sponsor informed with your departure plans. Any subsequent changes must be coordinated with your gaining unit/sponsor immediately. If you have delays or problems en-route, contact your gaining base and/or your sponsor.

The sponsorship program is designed to efficiently provide your gaining unit with mission ready personnel. Your active and timely involvement is critical. Please document your sponsor’s effort, both good and bad, as you will be asked to provide feedback upon your arrival.

The following newcomer needs assessment is provided for your benefit. Please complete it immediately, mail it to your new sponsor, and help them make your move a pleasant experience.

Welcome to Geilenkirchen NATO Air Base!

Newcomer Needs Assessment

Principal Purpose: To record information necessary to assist relocating personnel and their family members.

Disclosure is Voluntary: Failure to provide the necessary data will not result in the individual(s) being denied service.

1. **Newcomer's Rank/Name:** _____

- Have you contacted the **Airman & Family Readiness Center (A&FRC)** to get information about Geilenkirchen?
- Have you attended or plan to attend a **“Smooth Move”** Seminar to help ensure a pleasant transition from your current location?
- Have you checked out the **Child Care for PCS** Program at the A&FRC (20 hours of free child care per child for all ranks who are within 60 days of PCSing)? It is available for both your current location and at Geilenkirchen.
- Will you be requesting **Child Development Center (CDC)** services (ages 6 weeks - 5 years)? If so, please provide your sponsor with a copy of your orders, and a completed DD Form 2606 “Request for Child Care” (available at your current CDC) in advance of your arrival so that the CDC may place you on the waiting list. Please provide any additional information concerning your child(ren) such as special needs, etc.
- Any **special needs or concerns**? If so, what are they? (e.g., Special Needs Identification and Assignment Coordination Process (formerly EFMP), first-termer, overseas, humanitarian, colleges, family member employment, sports sign-up dates, foreign-born family member, etc.)
NOTE: Special needs issues must be coordinated through the Medical Clinic prior to departure.

NOTES FOR SPONSOR:
