MEMORANDUM FOR ALL INCOMING PERSONNEL

SUBJECT: Welcome To Dugway Proving Ground

1. Congratulations on your recent assignment to Dugway Proving Ground! It is a pleasure to welcome you to our unique installation. We are the Army's premier post for chemical and biological defense testing. In addition, the Army recently decided to station two new capabilities at DPG: the PM Unmanned Aerial System Rapid Integration and Acceptance Center and the Joint Land Attack Cruise Missile Defense Elevated Netted Sensor. Dugway is a great place for Soldiers, civilians, and Families to prosper. We look forward to having you on our team.
2. If not already contacted by a sponsor, you may request one by contacting the Army Community Service (ACS) Relocation Manager at (435) 831-2321 or e-mail to [michael.stubbs2@conus.army.mil](mailto:michael.stubbs2@conus.army.mil). A welcome packet, welcome DVD, and the internet are available and are designed to help answer the many questions associated with your assignment to Dugway Proving Ground and to help you make a successful transfer. Internet websites with excellent relocation information concerning Dugway Proving Ground and helpful relocation support are: MilitaryHOMEFRONT, Army OneSource, and Military OneSource.
3. Dugway offers a number of fine community services that are available to assist you. Army Community Service, located in Bldg # 5124, can put you in touch with these valuable services. In addition, make plans to attend our Newcomer's Orientation during your first few months here to learn more about the installation and community.
4. Your tour at Dugway Proving Ground should prove to be an interesting and rewarding experience.
5. Again, welcome to Dugway Proving Ground and congratulations on your assignment to our workforce and community.
