AUG 2010
WELCOME TO FORT CAMPBELL, KENTUCKY
Home of the 101ST Airborne Division (Air Assault)

For over half a century, first as a camp and later as a post, Fort Campbell has had a proud heritage as home of the nation’s finest fighting forces. Fort Campbell is home of the Army’s only Air Assault Division. The 101st Airborne Division (Air Assault) consists of four combat brigades plus the 101st Aviation Brigade, 159th Aviation Brigade, 101st Sustainment Brigade and several separate commands.

The six major tenant units at Fort Campbell include the 5th Special Forces Group (Airborne), 160th Special Operations Aviation Regiment (ABN), U.S Army Medical Activity, TN Valley District Corps of Engineers, and U.S Army Dental Activity.

Although the units and men and women here have widely different missions and jobs, they are here for one purpose -- to be ready to defend the nation. Infantry, mechanics, pilots, cooks, -- they are all on the move with the modern Army at Fort Campbell.

Much like a large city, Fort Campbell has its own supermarket, shopping mall, medical facilities, neighborhoods, and churches. The important thing to remember is that not only are all of these things available, but the people here really want to serve you.

If you like sports and recreation, you’re in a great place. Almost every type of recreation and athletics is available. A golf course, pools, lakes, a bowling center, turkey and deer hunting, fishing, horseback riding, craft shops, and much more are all around you.

The Capital of Country Music, Nashville, is to the southeast, Mammoth Cave National Park is to the north, and Kentucky Lake and Lake Barkley are to the west -- all combined to offer total variety for the traveler and visitor. There is plenty to see and do on a short weekend or a month’s leave -- in both Kentucky and Tennessee.

Welcome to Fort Campbell -- may your stay be enjoyable and your tour of duty professionally rewarding.

The EAGLE INFORMATION GUIDE is an informational booklet, compiled and coordinated by Army Community Service in the interest of all Fort Campbell Soldiers, Family Members, civilian employees, contract personnel and community members. The Army Community Service staff and Volunteer Corps thank all individuals who contributed to this issue. Our goal is to update the EAGLE INFORMATION GUIDE annually.

101st Airborne Division Song
“Rendezvous With Destiny”
(All Soldiers assigned or attached to Fort Campbell will learn the Screaming Eagle Song.)

“We have a rendezvous with destiny. Our strength and courage strike the spark that will always make men free. Assault right down through the skies of blue; Keep your eyes on the job to be done. We’re the Soldiers of the hundred-first; we’ll fight til the battle’s won!”

Referrals for Specialty Care
A referral is the process by which a primary care manager or other health care provider refers beneficiaries to another professional or ancillary provider for specialized medical services. If a TRICARE Prime beneficiary enrolled to BACH needs an outside specialty care referral, the PCM or specialty provider must submit a referral to Health Net Federal Services. When the PCM or specialty provider submits a referral to Health Net Federal Services, a letter is mailed to the beneficiary, the requesting provider, and the specialty provider to whom the beneficiary is being referred. The letter will indicate what service(s) have been authorized, the authorization number, and the name and phone number of the specialty provider the beneficiary should contact to schedule the appointment. If a beneficiary needs to check on a status of a referral, please call 1-877-TRICARE (874-2273). If specialty services are received from a military treatment facility or network provider, the beneficiary will not need to file a claim for the specialty care. If specialty services are received from a non-network, TRICARE authorized provider, beneficiaries may be required to submit their own claims. Individuals should contact the 1-877-TRICARE number for information on claims submissions.

IMPORTANT DOCUMENTS AND INFORMATION FOR SPOUSES
It is very important as a military Spouse, to have in your possession certain documents. If you are required to take full responsibility for the Family for any reason, you will be able to do so with no problem. Your sponsor should have most of this information. SIT DOWN WITH HIM OR HER AND GATHER THIS INFORMATION AND THESE DOCUMENTS. THE HOUR YOU SPEND GOING OVER THIS WILL SAVE YOU TIME LATER ON. KEEP THE FOLLOWING DOCUMENTS IN A SPECIAL CONTAINER THAT YOU CAN FIND IMMEDIATELY!!!!

1. Marriage Certificate.
2. Birth Certificate of all Family Members.
3. Shot Records (up to date), of all Family Members, including pets.
4. Citizenship papers, if any.
5. Adoption papers, if any.
6. Passports, if any.
7. Armed Forces Identification Cards of ALL Family Members (10 years of age or older).
8. Your sponsor’s Social Security number.
9. All Government and Civilian Life Insurance policies or a list of companies, policy numbers, types of insurance, local and out of town addresses INCLUDE EACH COMPANY’S TELEPHONE NUMBER WHEN POSSIBLE.

There are some things you cannot accomplish in the absence of the military sponsor, i.e. selling a car or registering it; signing a deed for your Spouse; and arranging for quarters or transportation through the military. A signed power of attorney is a powerful document.
12. BOTH HUSBAND’S AND WIFE’S WILL. In some states, if the husband does not have a current will, in case of his death, the children or parents receive two thirds of the estate, and the wife, one third.
13. IT IS FOR YOUR PROTECTION THAT BOTH PARTIES HAVE WILLS. The Legal Assistance Office can prepare these important documents for you. You should review your will every three years, or more often to make sure it accomplishes your goals upon your death.
14. NINE (9) COPIES OF YOUR SPOUSE’S TDY AND/OR PCS ORDERS. If you must move by yourself, you will need extra copies of these orders. However, with these copies you can have others made without cost to you by going to your sponsor’s unit.
15. CURRENT ADDRESSES AND TELEPHONE NUMBERS of all members of IMMEDIATE FAMILIES of both you and your Spouse. Immediate Family includes Father, Mother, (if adopted, Stepparent and/or Stepmother), a person in Loco Parentis, Children, Brother(s), Sister(s). You may also wish to include other living blood relatives such as Grandparents.

“Rendezvous With Destiny”
(All Soldiers assigned or attached to Fort Campbell will learn the Screaming Eagle Song.)

Fort Campbell is home of the Army's only Air Assault Division. The 101st Airborne Division (Air Assault) consists of four combat brigades plus the 101st Aviation Brigade, 159th Aviation Brigade, 101st Sustainment Brigade and several separate commands.

The six major tenant units at Fort Campbell include the 5th Special Forces Group (Airborne), 160th Special Operations Aviation Regiment (ABN), U.S Army Medical Activity, TN Valley District Corps of Engineers, and U.S Army Dental Activity.

Although the units and men and women here have widely different missions and jobs, they are here for one purpose -- to be ready to defend the nation. Infantry, mechanics, pilots, cooks, -- they are all on the move with the modern Army at Fort Campbell.

Much like a large city, Fort Campbell has its own supermarket, shopping mall, medical facilities, neighborhoods, and churches. The important thing to remember is that not only are all of these things available, but the people here really want to serve you.

If you like sports and recreation, you're in a great place. Almost every type of recreation and athletics is available. A golf course, pools, lakes, a bowling center, turkey and deer hunting, fishing, horseback riding, craft shops, and much more are all around you.

The Capital of Country Music, Nashville, is to the southeast, Mammoth Cave National Park is to the north, and Kentucky Lake and Lake Barkley are to the west -- all combined to offer total variety for the traveler and visitor. There is plenty to see and do on a short weekend or a month's leave -- in both Kentucky and Tennessee.

Welcome to Fort Campbell -- may your stay be enjoyable and your tour of duty professionally rewarding.
