# Goals of C.A.R.E. on the Road

- **Created as a Relocation community outreach program that was organized annually in Base Housing areas in order to welcome families who had PCS'd to Hurlburt Field during the Summer.**
- **It also allows established Hurlburt Field residents the opportunity to re-familiarize themselves with existing programs and services available in a fun, cost effective, and interactive way!**
- **Families get to meet their neighbors and create relationships with others in their Air Force family.**
- **In addition, different service agencies get the opportunity to collaborate and network in a stress free environment.**
