

Larry Winget

The Pitbull of Personal Development

Irreverent. Edgy. Controversial. Sarcastic. Refreshing. Hilarious. All words used to describe Larry Winget.

Larry Winget, the Pitbull of personal development is the best-selling author of Shut Up, Stop Whining & Get A Life and *New York Times* Bestseller It's Called Work for a Reason!. He teaches universal principles that will work for anyone, in any business, at any time, and does it by telling funny stories.

He believes that most of us have complicated life and business way too much, take them way too seriously, and need to lighten up, take responsibility, and keep it all in perspective.

Mr. Winget is unique. No one does what he does from the platform. No one says what he says and no one looks like he looks. He is the trademarked Pitbull of Personal Development® and The World's Only Irritational Speaker®.

He leaves you nowhere to turn but to yourself. Mr. Winget's approach remains that WORK is the key to success: not talking about work, not having meetings about work, not writing reports about work, but WORK.

How To STOP Getting By and START Getting Ahead

Mr. Winget has become a financial guru to many people because of his work on *Big Spender*, his appearances on CNBC's *The Millionaire Inside*, *The Today Show*, *Fox News* and more. This dynamic keynote is based on his #1 Bestseller, *You're Broke Because You Want To Be*. In this keynote, Mr. Winget teaches that your financial condition is the result of your choices.

Mr. Winget covers how to set priorities for your life and that life is like a crime novel: if you want to find the culprit, follow the money. He tells his personal story of how he went from dirt poor to rich to bankrupt to multi-millionaire. He ties wealth building and getting out of debt to good old-fashioned hard work. He will also teach you how to develop a philosophy of money that can carry you through any situation.

If desired, Mr. Winget can also give tactics on how to get out of debt and how to change your lifestyle so you will have more money. While a serious subject, the speech is also hilarious and Mr. Winget tells great stories of his time shooting his television series, *Big Spender* for A&E and relates the stories of many of the encounters he has had.
