

11th Wing
Financial Readiness Challenge (FRC) Event “Roadshows”
June 22, 2009 | 0800 - 1530

The primary goal of the 11th Wing Financial Readiness Challenge Event “Roadshow” is to enhance the financial readiness of military troops and families living on base and in the local community. Pentagon staff are also being extended the invitation to attend this one day event. The 11th Wing Commander is co-sponsoring this event with the Department of Defense (DoD) in an effort to augment existing personal financial management education and counseling services currently available in this region. This event has been tailored to address the specific needs of the 11th Wing community through various workshops, keynote presentations, and counseling sessions.
