Home Clinic

The Home Clinic is a project provided by Housing Opportunities Collaborative, a coalition of nonprofit organizations and agencies in the San Diego region. The Home Clinic is a one-stop center of counseling resources provided at no cost to attendees. Distressed homeowners will receive legal and consumer protection assistance, credit counseling and fair housing counseling, as well as access to agencies that can help their plight.

Military Millionaire Workshops

Four workshop topics will be offered: Retirement Planning and Thrift Savings Plan, Saving and Investing, Credit Management, and Consumer Awareness.
