## Presentations

### Truths & Myths of Credit Reports

*Guest Speaker*

The active military lifestyle can add to the challenges of developing and maintaining a positive credit report. This presentation addresses why credit is so important and many of the different avenues that can be taken to develop, maintain and protect a good credit standing and report. You'll learn about credit reports, how your credit history can impact your military career and what to do if you're overextended.

### Take Complete Control of Your Finances

#### Avoid Drowning in Debt

*Susan Abentrod*

It's easy to fall into debt --- especially if you are in the junior ranks of the military and are supporting a growing family. This presentation will teach you how to manage debt. In addition, you will learn how to have more money at the end of each pay period, how to pay it to yourself instead, and how to become a smart saver.

### Keynote Presentation

*Larry Winget, the Pitbull of Personal Development®*

Don't miss this energizing presentation by nationally syndicated radio personality, speaker and television show host Larry Winget. The best-selling author of many books, including *It's Called Work for a Reason*, Larry uses humor, story-telling and plain talk to teach you how to take responsibility for your life and be a success!

### Have You Fed Your Pig Today? Simple Tips for Saving & Long-Term Investing

*Chris Jones*

This presentation describes a variety of common vehicles for saving and investing, including how to find money in an already-tight budget to save. It will give you a broad overview of investment options, explain several tried and true saving and investment techniques, and even cover how to invest during tough economic times.
