

EFMP Family Support Provider Core Competency Training Curriculum

EFMP Family
Support

What is the Core Competency Training Curriculum?

This centralized course catalog outlines standardized resources for EFMP Family Support providers to develop and enhance essential skills to give exceptional support to military families with special medical or educational needs. Learn from anywhere at any time from the following core competencies:

- EFMP Delivery Approach and Skills
- Military Family Programs
- Community Outreach & Partnerships
- Financial, Legal and Medical Issues
- Social, Health and Life Cycle Transitions
- Special Education

How do the core competencies relate to professional growth?

Customize your curriculum and choose the trainings that are most applicable to your professional growth.

Select from a menu of more than 65 offerings and three custom EFMP Family Support provider trainings.
