### Information for installation-level military leaders

The email below is a template you can use to reach out to your network of service members and military families to share how you can unite against domestic abuse.

**Subject line:** We are united against domestic abuse.

**Body copy:**

Dear military community member,

We all deserve relationships free from fear, control and harm. If you feel unsafe in your relationship, you can share your concerns and you will be:

- Treated with respect and compassion
- Taken seriously and believed
- Connected with a domestic abuse victim advocate, who will guide you through documenting the abuse, making a safety plan and accessing needed military and civilian services

Check in with each other, stand by those who need support and share these resources:

- Visit the United Against Domestic Abuse landing page at <https://www.militaryonesource.mil/UnitedAgainst>.
- Contact your Family Advocacy Program office at [insert your local FAP info].
- Call the National Domestic Violence Hotline at 800-799-7233.
