WE ARE IMPROVING ACCESS TO MILITARY FEE ASSISTANCE AND EXPANDING THE CHILD CARE IN YOUR HOME FEE ASSISTANCE PROGRAM

FAST FACTS:

- **WHAT IS IT?** We recognize the importance of providing our military families with access to quality, affordable child development programs and are committed to meeting the increased demand for child care. We provide a variety of programs for service members when installation-based child care is not available due to lengthy waitlists or when service members are geographically dispersed.

THE DOD OFFERS TRADITIONAL FEE ASSISTANCE FOR CHILD CARE THROUGH MILITARY CHILD CARE IN YOUR NEIGHBORHOOD. MCCYN OFFSETS THE COST OF CHILD CARE IN THE COMMUNITY WHEN CARE IS UNAVAILABLE ON THE INSTALLATION.

- **WHAT DOES IT DO?** Our child care fee assistance program, MCCYN, provides assistance in finding civilian child care off the installation and offsetting the cost when installation-based child care is either not available or not a viable option. MCCYN providers must be state licensed and nationally accredited through a DOD-approved national or state early learning accreditation agency.
- **WHO BENEFITS?**
 - » Fee assistance supports service members unable to access installation child care services.
 - » MCCYN serves deployed and active-duty personnel, Guard and reserve members, and DOD civilian employees.
 - » MCCYN is available in all locations.

TO ADDRESS THE LACK OF NATIONAL ACCREDITED PROVIDERS IN THE COMMUNITY AND EXTENSION WAITLISTS, THE DOD INITIATED MCCYN-PLUS TO QUALIFY PROVIDERS IN THE COMMUNITY DEMONSTRATING HIGH QUALITY THROUGH OTHER QUALITY IMPROVEMENT PROGRAMS ASIDE FROM NATIONAL ACCREDITATION.

- **WHAT DOES IT DO?** The DOD expanded the MCCYN program, creating MCCYN-PLUS, to bridge the gap in locations where accredited care is unavailable. This initiative utilizes the states' Quality Rating and Improvement Systems, or QRIS, as an indicator of provider quality in lieu of national accreditation, broadening the pool of providers eligible to receive fee assistance on behalf of military families.
- » State-level quality improvement programs offer a systemic approach to assess, improve and communicate the level of quality in early care and education programs. By participating in their state's quality improvement program, early care and education programs embark on a path of continuous quality improvement. Parents can expect that providers are working toward quality standards that are higher than minimum licensing requirements.

- » When on-installation child care is unavailable or when families do not live close to a military installation, MCCYN-PLUS helps eligible families access child care that meets their needs and reduces the out-of-pocket expenses for community child care.
- » **WHO BENEFITS?**
 - » Fee assistance for community child care is available for all service members.
 - » MCCYN-PLUS is available in Arkansas, Colorado, Kentucky, Maryland, Nevada, North Carolina, Texas, Virginia and Miami-Dade County, Florida. Additional states continue to join the initiative.

TO ADDRESS IMPACTS OF COVID-19, INCLUDING PROGRAM CLOSINGS, PROGRAM STAFF SHORTAGES AND INCREASED COST OF CARE, THE DOD INITIATED THE CHILD CARE IN YOUR HOME FEE ASSISTANCE PILOT PROGRAM. CCYH IS CURRENTLY AVAILABLE IN SELECT REGIONS EXPERIENCING HIGH DEMAND AND LONG WAIT TIMES FOR CARE.

- » **WHAT DOES IT DO?** This fee assistance pilot program offers child care fee assistance to service members who utilize in-home child care providers, such as nannies, to meet the nontraditional schedules of military families. Under the CCYH program, parents must find, hire and employ their child care provider that best meets their child care needs. CCYH covers full-time care for a minimum of 30 hours to a maximum of 60 hours of child care weekly. Care is not limited to Monday through Friday or time of day.
- » **WHO BENEFITS?**
 - » Fee assistance for community child care is available for all service members in select regions with high demand and long wait times for care.
 - » The Child Care in Your Home pilot program is currently available to eligible service members and families in the following 11 regions: Hawaii; National Capital Region; Norfolk, Virginia; San Antonio, Texas; San Diego, California; Colorado Springs, Colorado; Seattle/Tacoma, Washington; Jacksonville/Mayport, Florida; Fort Walton Beach, Florida; Fayetteville, North Carolina; and Las Vegas, Nevada.
