

Military OneSource Presentation Deck Guide

Current as of August 5, 2026

Introduction

This slide deck series is designed for presentations and briefings to the military community. It provides clear, ready-to-use information on how the services and resources available through Military OneSource support service members and their families. These presentations can be used on their own, or slides can be combined for a tailored briefing.

[Military OneSource — Field Consultant Short-Form PowerPoint](#) (9 slides)

This is a concise overview of Military OneSource services and support, ideal for brief presentations or quick introductions. This presentation can be used as a stand-alone overview or expanded with additional slides for a more comprehensive briefing.

[Military OneSource — Personalized Support and Resources](#) (19 slides)

This is a comprehensive presentation detailing the full scope of Military OneSource programs and online resources. It also includes guidance on how to navigate the site and access key contact information.

[Military OneSource — Deployment Support Overview](#) (10 slides)

This is a walkthrough of resources available across the deployment cycle to help service members and their families prepare for and navigate deployment as well as reintegration.

[Military OneSource — Financial and Tax Support](#) (7 slides)

This is an overview of financial and tax-related services offered by Military OneSource. It highlights free resources, expert support and tools to help service members make informed financial decisions and maintain mission readiness.

[Military OneSource — Range of Support](#) (1 slide)

This is an at-a-glance visual overview of the personalized support services available through Military OneSource, including consultations, coaching and confidential counseling.
