

Recommended Sequence for FAP training on PSB-CY

Completing and reviewing the following training, courses and resources, in the order listed, provides a good foundation for Family Advocacy Program staff to receive and consult on PSB referrals, classify sexual behavior, manage cases and/or provide treatment and interventions.

Recommended Courses and Resources

1. National Child Traumatic Stress Network Academy: [Course Catalog](#) and [Sequence of Learning by Learner Groups](#)
2. NCTSN Academy: [Introduction to the PSB Multidisciplinary Team](#)
3. Penn State Clearinghouse for Military Family Readiness, [Non-Clinical Referral Tool Training](#)
4. U.S Army Military Police School, **MDT five-day, in-person training course** (Contact your service headquarters PSB-CY lead for enrollment information.)
5. [PSB-CY Information System](#) user guides and training videos (Contact your service headquarters PSB-CY lead for access to the database and to recordings of database demonstrations.)

Supportive Resources and Courses

PSB Toolkit for Service Providers

This [online toolkit](#) for those involved in the prevention of and response to PSB-CY has links for trainings, fact sheets, guides, learning opportunities and other resources.

OneOp Sexual Behavior Series

This webinar series, [Sexual Behavior in Children and Youth](#), addresses normal sexual behavior and explores cautionary and problematic sexual behavior in children.

OneOp Clinical Assessment and Treatment Overview Courses

[These four courses](#) provide professional development for clinically assessing, safety and supervision planning, and parent engagement for children exhibiting problematic sexual behavior.

Contact the Academy Help Desk at help@nctsnacademy.org to enroll in the PSB Foundational Knowledge Course or the Introduction to the PSB Multidisciplinary Team.
