Calling Europe from the States

1. Dial the United States exit code to call international: **011**
2. Dial the country code
49 Germany
31 Netherlands
32 Belgium
3. If calling from the US, skip the (0) - this is used only when calling from the same country
4. Overall dialing format:
011 + 49 + Local Number
011 + 31 + Local Number

NOTE: Phone numbers in this area do not have a standard number of digits.
