

Online Training for Sponsors

Sponsors are trained service members assigned to help a newcomer before, during and after a move.

The eSponsorship Application & Training course, or eSAT, provides sponsors with the information, tools and resources they need to help service members and families have a successful move.

eSponsorship Application & Training on MilLife Learning

Sponsor With Confidence

The eSponsorship Application & Training, or eSAT, course was developed by the Defense Department and is available online through MilLife Learning.

The eSAT course helps you understand your roles and responsibilities as a sponsor – and offers intel and resources to help you help your newcomers.

Easy Access

Access the eSAT course 24/7 at:

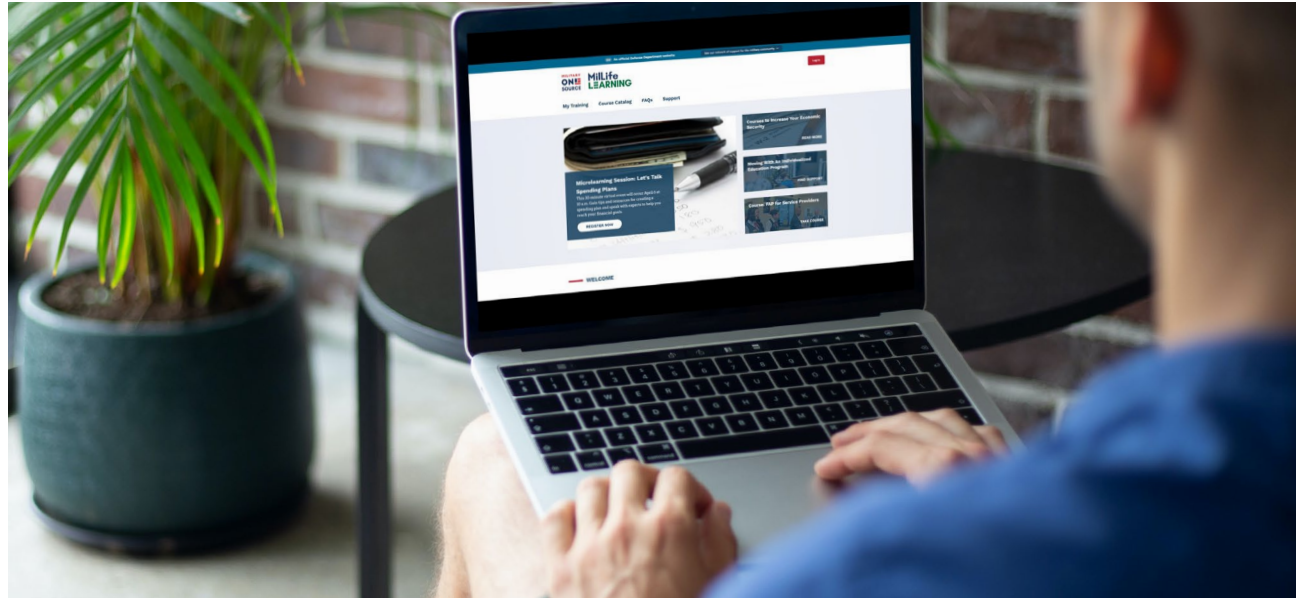

<https://MilLifeLearning.MilitaryOneSource.mil>

- Choose “Course Catalog.”
- Type “eSAT” in the search bar.
- Under the course description, click “LOG IN TO ENROLL.”
- Follow steps to either log in or create an account.

Helpful Resources to Use and Share

Enjoy downloadable resources including:

- A newcomer needs checklist
- A newcomer needs assessment
- Customizable sample sponsor correspondence
- Links to Defense Department resources that help with moving
- A Certificate of Completion, which is stored for later retrieval

Your Branch of Service May Have Its Own Requirements

The eSAT course offers general information and guidance regarding sponsorship. Your service branch may have different requirements or more details about your duties as a sponsor. Be sure to review your branch’s sponsorship policy so you can meet expectations.
