05. Photography

The use of photography on the site is limited in order to bring focus to the task at hand or the checklist content.

Home - Hero Background Image

When selecting photography, use bold, aspirational imagery that echoes patriotism, honor and commemoration. Strive for imagery that can be reflective of the subject matter without being overtly literal. These images should be authentic, unposed and emotionally appealing. Be mindful not to use actual servicemen and servicewomen who have died unless permission is given.

NOTE: All photos shown are for illustrative purposes only. Rights of usage, licensing and associated fees must always be considered.
