

SPOUSE EDUCATION & CAREER OPPORTUNITIES

Fact Sheet

MilSpouses: Gain free access to Udemy

The Defense Department's Spouse Education and Career Opportunities program makes it easier for military spouses to reach their career goals with free access to online courses, skills training and professional development.

The SECO program is providing military spouses with one year of free access to Udemy, an online learning platform that can help you stay competitive in today's ever-changing workforce.

Keep your skills fresh and learn new ones

Udemy offers courses taught by leading experts. Topics range from human resources and marketing to leadership, information technology and entrepreneurship. You can reach your career goals by taking advantage of this offering and getting access to:

- On-demand, flexible online courses to enhance current skills, learn new ones and stay up to date on industry trends.
- Pathways to certification in areas including cloud computing, information security, project management, accounting and more.
- Ongoing support from a SECO career coach to help you make the most of this offering.

Access to Udemy is limited. Log in and start using the platform within 30 days of receiving access or your license will be assigned to another learner. You may request access again when you have the time and capacity to continue your learning journey.
