

Join the Military Spouse Employer Partnership

Gain priority access to a highly-skilled group of professionals — military spouses

When you join the partnership, you commit to recruit, hire, promote and retain military spouses

Partnership provides access to invaluable benefits, including:

- Unlimited engagement with talented professionals
- Free solutions for targeting and connecting with military spouses
- Partner recognition in promotional activities, social media and at public events
- Networking opportunities with the War Department and other leading industry partners
- A partner specialist assigned to your organization to support recruitment and retention efforts
- Partnership development through our LinkedIn partner group, partner-to-partner mentoring, employer and military spouse testimonials, military community and DOW hiring events
- Introductions to military installation service providers worldwide
- Comes at no cost to join

Get started with 3 easy steps

1. Visit [our website](#) to learn more and submit an account request.
2. Complete the employer partner application.
3. Attend a one-hour virtual information session for potential partners.
